In Harey Zahav's project in the new Nevi'im neighborhood, a variety of apartments will be offered, including spacious 160–200 sqm duplexes with private rooftops and breathtaking views. Residents will enjoy an expansive complex featuring schools, synagogues, and mikvahs, alongside commercial areas, community services, an amphitheater, a cultural center, and more. A new access road will shorten the drive to the neighborhood by 5.5 km, ensuring convenient transportation. Thoughtfully planned with tomorrow in mind, the project offers a perfect balance of space, community, and accessibility, making Immanuel an ideal setting for high-quality family living.
