Gush Shiloh

About Shiloh

Shiloh is a town which possesses amazing nature, beauty and spiritual significance. For 369 years, it was the home of the Mishkan (Tabernacle), where the Ark of the Covenant rested, serving as the focal point for worship and divine connection. It was here that the tribes of Israel gathered to divide the land, making Shiloh a symbol of unity and purpose.

The holiness of Shiloh resonates to this day, attracting pilgrims and visitors who seek to connect with their heritage. Walking through its ancient paths, one feels the deep spiritual significance of a place that bridges the past, present, and future of the Jewish people.

CHILDREN OF ISRAEL

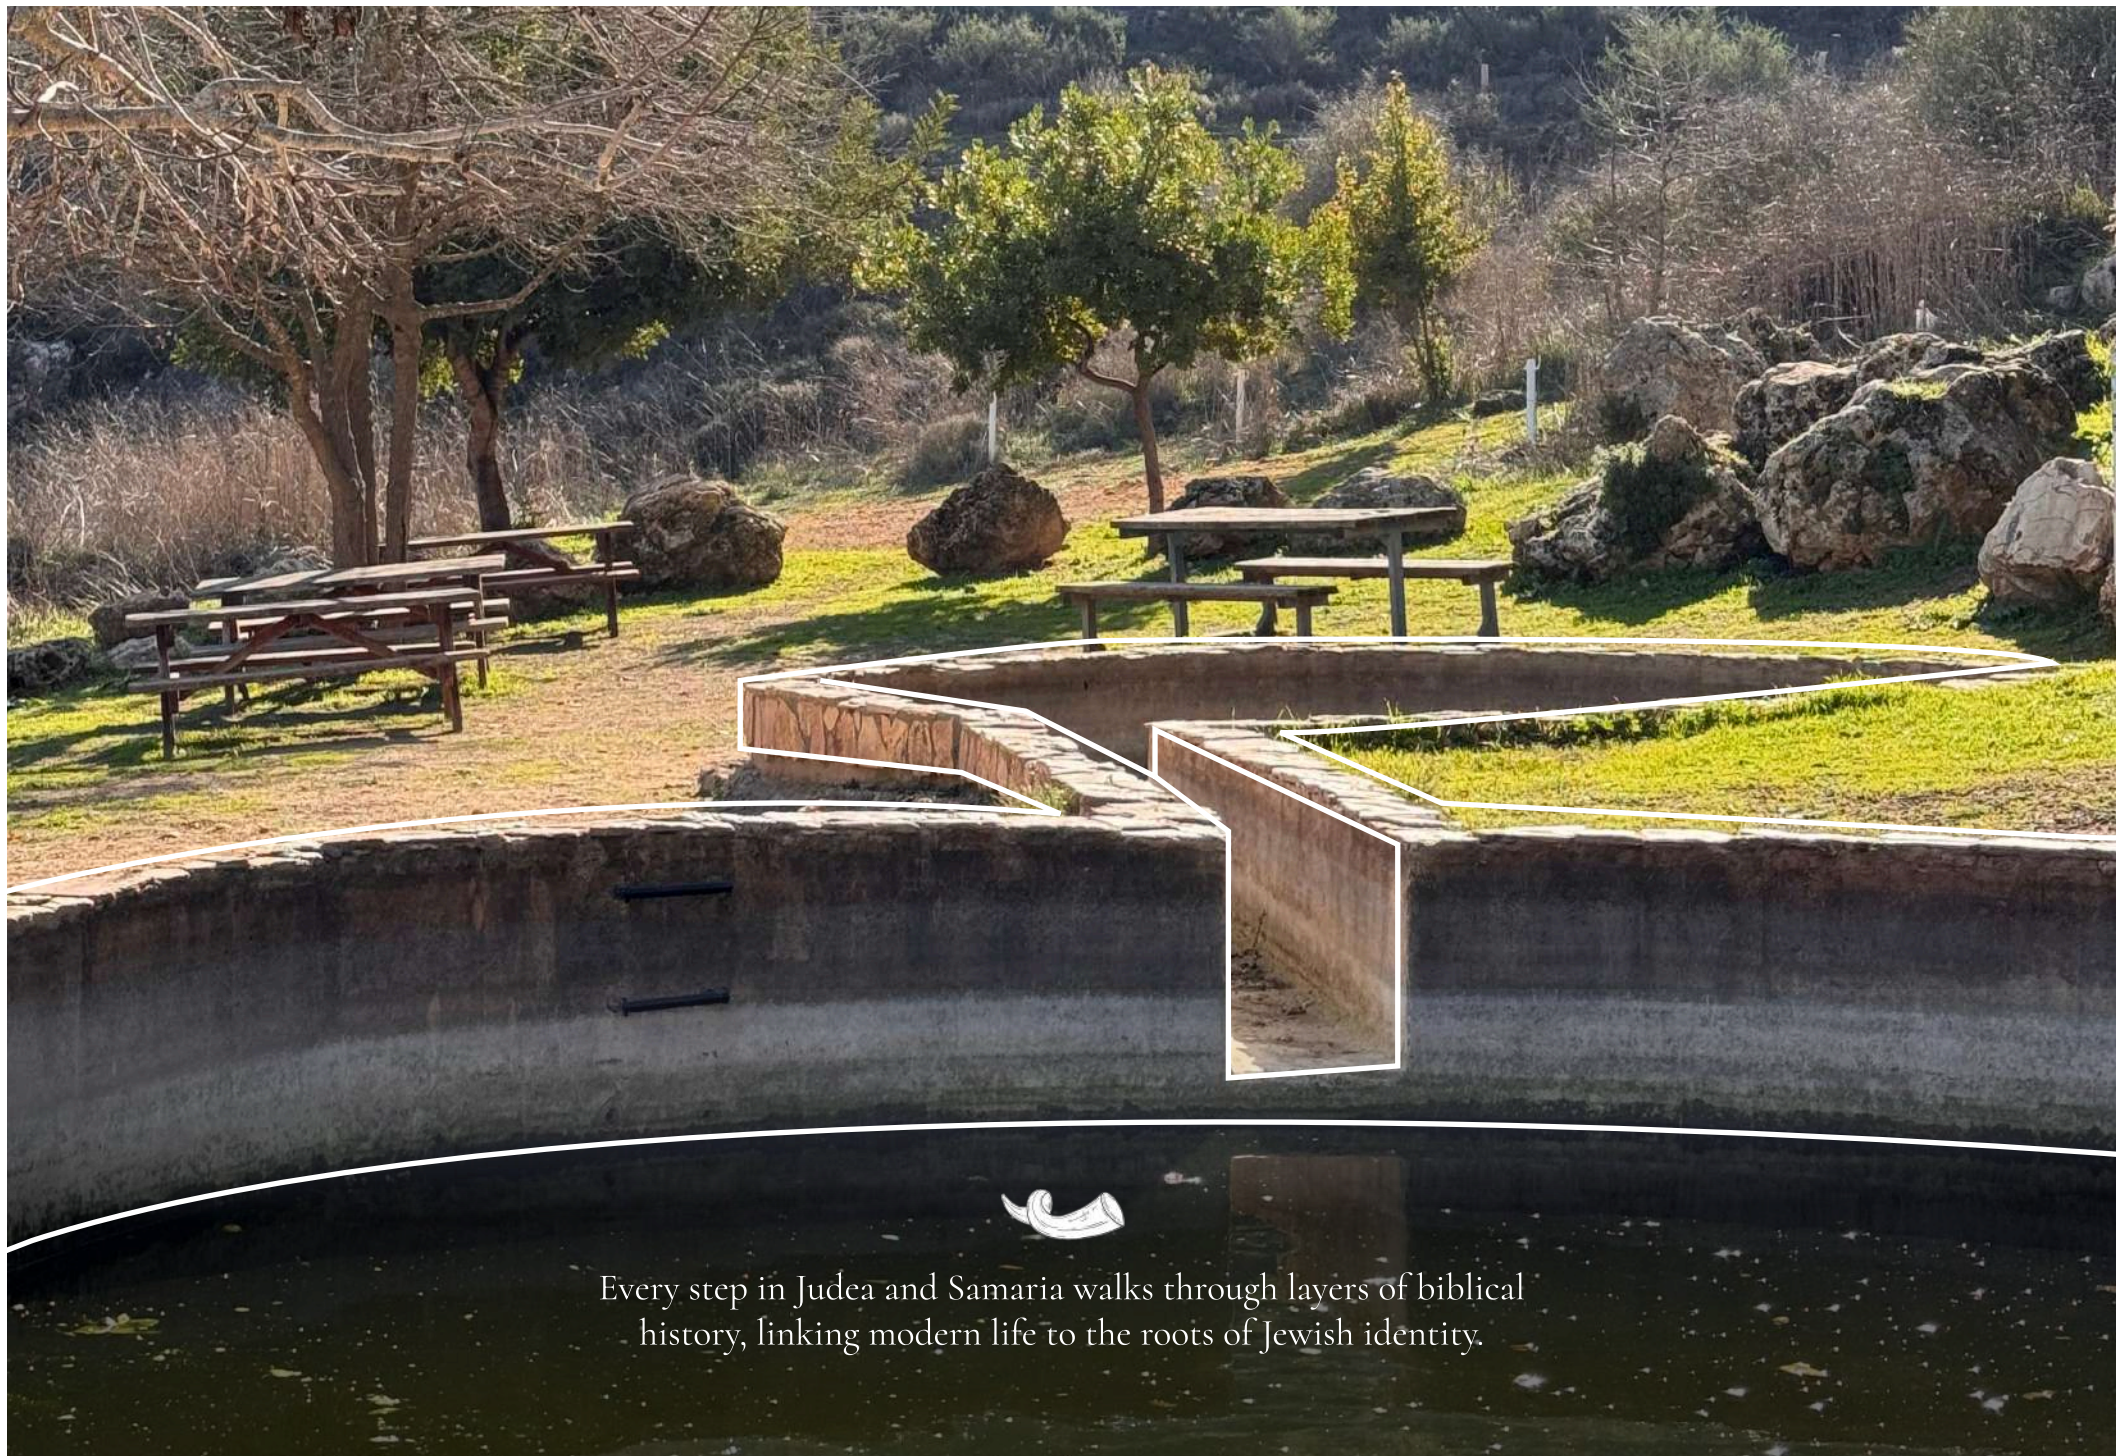

«The entire assembly of the Children of Israel gathered at Shiloh and erected the Tent of Meeting there and the Land had been conquered before them, but there was left among the Children of Israel seven tribes that had not yet received their inheritance.

Josua said to the Children of Israel: How long will you wait, to come and possess the Land that the Lord, God of your fathers has given you?

(Joshua 18:1–3)

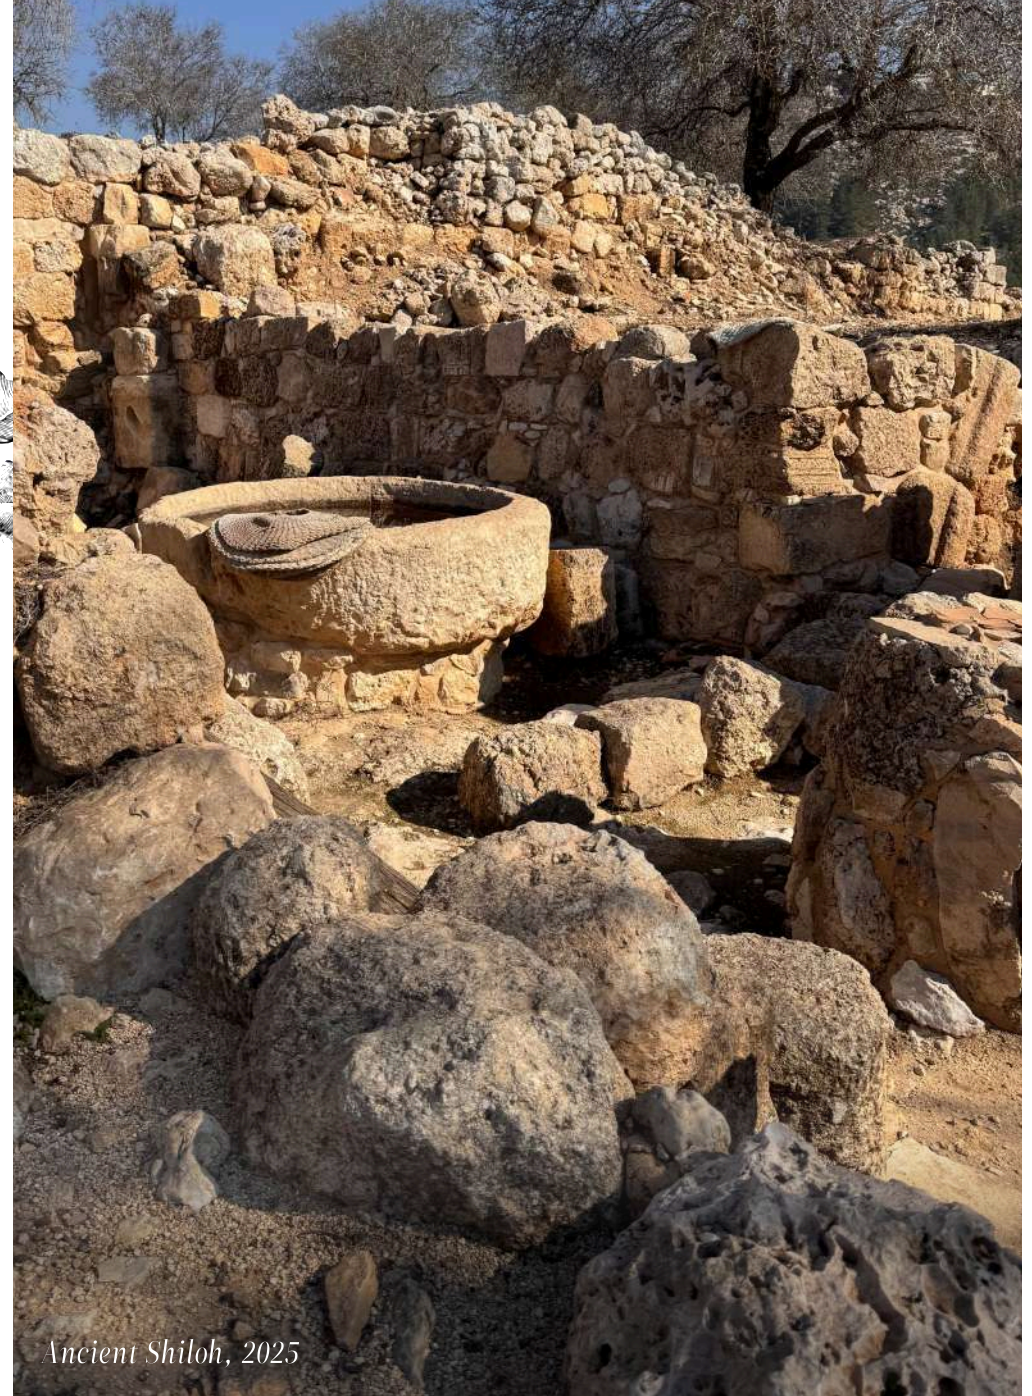

Every step in Judea and Samaria walks through layers of biblical history, linking modern life to the roots of Jewish identity.

min from Tel Aviv

As part of our philosophy of not merely building houses but nurturing Jewish communities in Judea and Samaria, we brought the first 30 young families to Leshem. These pioneering families became the seeds of the future Leshem, drawing in more like-minded individuals who shared the vision of creating a strong, connected community.

*The advantage of living in Leshem is the quality of life:
the stunning views, a community of good people, and all these
within a relatively short distance from central Israel.*
